ANVIL

WASHINGTON HIGH SCHOOL

EAST CHICAGO, INDIANA

THE CLOCK

What are the hands of a clock? They are the instruments of a machine. They have recorded our past, are recording our present, and will record our future. Let us remember that these hands have a clockwise motion only and theoretically cannot be turned back. But this year's Senior Anvil has been empowered by Father Time to accomplish just that feat.

We have turned the clock back one complete school year. Join us as we relive some of our fondest memories.

TIME:

School year 1957-58

PLACE:

Washington High School

GOAL:

To acquire self-control and self-reliance,

To co-operate with others for the welfare of my school,

To develop in myself an appreciation of the finer things of life;

To be loyal to my school in thought and word and deed, and to give her always of my best efforts,

To be conscious at all times that I represent my school in every word and act;

These things shall be my honest endeavor as a student in Washington High School.

Handwritten notes in cursive script, tilted diagonally:

 How many times
 have I heard
 that we are
 the best
 group ever
 made of the
 school

PAST

PRESENT

FUTURE

The emblem around which we stand represents Washington High School. As individuals we represent the peoples of the world; as a group we are united for these purposes: learning, getting along with others, and preparing for the future.

Mr. Thomas V. Altenderfer

Through more than 50 years Washington High School has helped students of many lands and many homes learn for school and life. And we have been proud of the results. Our students have gone into the mills and shops to become good breadwinners for fine families. They are craftsmen and foremen and supervisors. Many have gone on into the professions. They are lawyers and clergymen and doctors and teachers and engineers. Some have risen to excellent positions: civic leaders, a bank president, a former Assistant Secretary of War, a prominent movie actor, an outstanding textile designer. Our students have done well in the past.

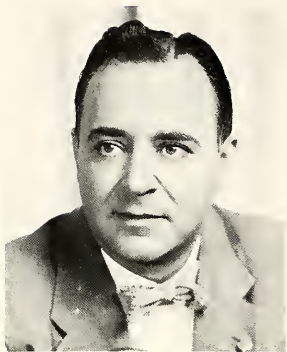

Washington High looks towards the future with pleasure. We know that as our students and teachers work together the same success will come.

BOARD OF EDUCATION

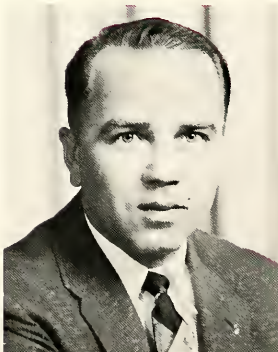

Mr. Thad M. Dywan
Treasurer

The year that has just passed has seen this appointed school board put many beneficial ideas into effect in our school system. Education is in the hands of the educators to make our graduates rank high throughout the state. All expenditures have been made to give the taxpayers the most for their money, and give the students the best possible buildings and equipment. It is a board whose actions have at all times been aimed toward giving the students the finest possible education.

BOOSTER COMMITTEE

The Booster Committee, under the supervision of Mr. George Boniecki, sponsor, was one of the most active arms of the Student Government this past year. Looking back on its achievements, we can see such scenes as the whole school attending a Pep Session and the halls of the gym plastered with posters and banners. The president of the committee was Lucy Laska, who deserves much praise for a splendid job of leadership.

JUNIOR FIRE MARSHALS

This year the Fire Marshalls, one of the most important student service organizations, which is under the supervision of Mrs. Mildred Sutton, helped the school set a new record of evacuation. The fire chief, Jim Nelson, was aided by Stephen Hurst, John Connolly, Norman Upshaw, and Lucius Swilley, his assistants.

The Junior Fire Marshalls are boys in the seventh and eighth grades, who assist the Senior Fire Marshalls wherever they are needed.

Production of the 1958 Anvil gets under way.

Members of both the Anvil Staff and the Senatorial Staff attended a School Publications Convention at the Conrad Hilton Hotel in Chicago.

With the help of his staff the editors are planning the 1958 Anvil.

The Senatorial, our bi-weekly school paper, was edited by Elaine Trikolos, and her assistant was Sandra Furticella. This year the sports section was edited by Terry Shaffer. The staff, with many returning reporters, was assisted by the cub reporters and the journalism class. Our sponsors, Mr. Mitchell Baran and Mrs. George Vann, helped greatly in making the Senatorial successful.

This year the Washington Senators rolled out again for another big year of football under the coaching of John Zitko, Jules Siegle, and Martin Quinn.

The going at first was a little bumpy, with a loss to Muncie Central of 18-0. But after the landing gear was up, the Senators were airborne by defeating Clark High 32-0.

Once again the going became rough as the Solons traveled to East St. Louis, Illinois. Fighting against great odds, the under-dog Senators surprised the fans by losing with a score of only 14-12.

From here on the road became much smoother as the Senatores defeated Emerson in a decisive game to qualify for the Western Division race. But once again lady-luck played havoc with the Solon gridmen in the Whiting-Washington tilt. The Oilers surprised the fans and Senators alike by taking a 14-0 lead at halftime. The fighting Senators returned to tie the score and gave the best second half comeback of the season.

Revenge grew in the hearts of the gridmen as homecoming time drew near. The bitter memory of the beating taken last year from Hammond High was present as the Senators trounced on to a 34-12 win and followed precedence by not losing the home-coming game.

Now only two teams remained to be played, Hammond Tech and E. C. Roosevelt. Washington beat the Hammond team in a muddy battle but bowed to the mighty Roosevelt team. Although greatly out weighed and manned, the Senators fought the Riders in a stiff battle to the wire and lost 27-14.

All in all, we were very proud and grateful for one of the finest seasons that Washington has given us in recent years.

Coach John Baratto, ~~S. Jimenez~~, J. Connolly, N. Berzac, J. Eskoff, R. Divjak, N. Upshaw, P. Auksel, D. Williams, J. Dow, D. Kale, ohn Patrick, Athletic Director.

Playing one of their roughest schedules, which included half of the top 16 teams in the state, the Senators were able to win all but three of their games.

The team had a slow start, but under the expert guidance of Coach John Baratto they began to play "money ball", and gained much self-confidence in the Holiday Tourney by defeating Noll Central, 65-57, and Valparaiso, 77-70, for the championship. Terre Haute Gertsmeier then threw a block in the Senators' winning streak by winning 67-60.

This defeat proved fatal to the other teams because it spurred the team on to greater heights. The Senators romped over such outstanding teams as Lafayette Jefferson, E. C. Roosevelt, and Gary Roosevelt in their bid for a berth among the state's favorites.

Emerging as the Western Division Conference Champions, Washington became the "People's Choice" in the Sectionals. The excellent rebounding of Norm Upshaw and Pete Auksel, the sharp-shooting of Dennis Kale and Jerry Eskoff, the all-around fine play of Ron Divjak and Santos Jimenez, plus the hottest bench in the region, made the tasks of defeating Griffith, Hammond Morton, Noll Central, and Roosevelt relatively easy.

The team, encouraged by these wins and the enthusiastic support of the fans, achieved a feat which had been unequalled in W.H.S. history for eleven years. By defeating Michigan City in an unforgettable thriller, 71-69, and Valparaiso, 80-69, the Senators clinched the Regional Tourney.

The next week-end the Senators traveled to the Semi-State Tourney in Lafayette, where they met the under-dog, North Judson, who played them to the hilt before succumbing in a double overtime victory of 56-55. This win entitled W.H.S. to meet Crawfordsville for the championship.

The superior mid-court shooting of the Athenians overcame the height advantage of the Senators and their 18-game winning streak, along with their title hopes, was demolished.

Congratulations to Coach John Baratto and his assistants, Nick Sarengach and John Molodet, for a most outstanding season; and also the very best of luck to next year's netmen.

With the aid of 5 returning regulars, Washington led the Western Conference until Clark, the eventual champs, handed us a late season defeat to balance a previous Senator victory, bringing our final record to 7 wins and 3 losses. Our three regular singles players, Bill Barno, Tony Forszt, and Steve Hurst, had a combined record of 26 victories in 30 matches, which in itself is an outstanding performance. The latter two, representing Washington and the state of Indiana, teamed up to take fourth place honors in the University of Chicago Invitational Doubles Tournament.

Our school year was filled with many activities and much fun, all of which provided us with many wonderful memories. At the beginning of the year we had fun trying to get into as many pictures as possible, decorating for our big semi-formal, and getting ready for the first plays of the season. Some of us were actually busy with our classes! Basketball season arrived and no one will ever forget the enthusiasm of everyone in the "region" as we followed our team downstate.

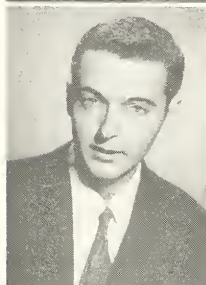

We fondly look at our past experiences and realize, as we are fitted for our caps and gowns, that our present year at Washington High School is almost completed. All of us are looking forward to the future after the many years spent here in preparation for that future.

TOP SENIORS

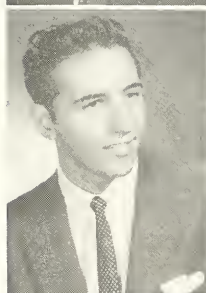

These are the ten seniors who rank scholastically at the top of the 1958 class. They are developing intellectual independence, the final object of education. They led their classmates not only scholastically, but also in sports and activities. They have in many ways made worthwhile contributions to Washington High School. We are confident that they will go on to make their lives very successful.

Becoming a member of the National Honor Society is an honor that is bestowed upon the deserving seniors who have worked for it throughout their high school years. This year we have a membership of thirty-one.

To be eligible for membership, a senior must be in the upper third of the graduating class, but scholarship alone is not enough. Good character, leadership, and services to the school are the further necessary qualifications. The faculty chooses the members.

The members of the 1958 George Washington Chapter of the National Honor Society have not only established enviable records among their classmates, but are also an example of the type of pupils that are present at Washington.

Maurice Rodgers is pictured with his exhibit, which won for him an award in the Calumet Area Science Fair.

ANVIL STAFF

The staff of the 1958 Anvil wants to thank the many friends and patrons who were again so generous to us. We are also grateful to our advertising agents and solicitors, who worked untiringly to make the success of this book possible.

The staff also thanks the student body and faculty, who generously gave us their time to help identify pictures, spell names, and do the countless other things that go into every Anvil.

We present this Anvil to the Class of 1958, knowing you will cherish these memories whenever you leaf through the pages of this book.

Thank you again.

what's
their
future

The young people you see in these pictures are all on their way to successful careers in one of America's basic industries . . . steel. They decided (as we hope you will decide) to let Inland Steel Company help them plan their future.

Some are gaining knowledge and experience in special trades to become journeyman machinists, carpenters or electricians . . . some are concentrating on certain phases of steelmaking by working in the open hearth shops, the cold rolling mills or the galvanizing lines. Still others are working in laboratories building

a sound foundation for a future in steel research.

Inland offers the high school graduate an excellent opportunity to further his education. Employees may participate in a variety of on-the-job training programs, or they can continue their formal education by registering for evening courses offered by local Purdue and Indiana University Extension Centers.

Plan now to investigate the unlimited opportunities for you in steel . . . with the midwest's own steel company . . . INLAND STEEL.
